LOT 1416

A large Richard Batterham studio pottery stoneware vase, the ovoid body of gentle square shape, covered to the foot in an ash glaze, the neck with concentric line detail, unmarked, height 36cm. Provenance: from the personal collection of the ceramic artist, the late Eric James Mellon (1925-2014).

Estimate: £400 - £600

Condition Report

In good condition with no damage or repairs.

Inside the vase I just discovered an original purchase receipt signed by Batterham made out to Eric Mellon, dated 25th June 2003. This will be sold alongside the vase.
