

Furniture / Thursday, 6th August 2026 / Lot 2036

### LOT 2036

A set of eight early 20th century Chippendale style mahogany framed dining chairs with finely carved backs, comprising two carvers, height 98cm, width 63cm, and six standards, height 94cm, width 58cm.

Provenance: from the estate of a Sussex gentleman.

Estimate: £200 - £400

---

### Condition Report

2036. One of the carvers has some discolouration and splash marks to rear side. Two of the standards are a little wobbly. Otherwise the polish finish overall is a bit uneven in places due to some areas being a bit worn or cleaned off. Also just a few very small knocks to frames, but nothing substantial.
