

Asian and Islamic Ceramics and Works of Art / Thu, 3rd September 2026 / Lot 1101

LOT 1101

A Chinese spinach jade spill vase, Qing dynasty, carved and pierced as a pine trunk with fenghuang perched in its branches and a lingzhi fungus to the other side, height 11.8cm. Provenance: Sir William Younger, 1st Baronet, of Auchen Castle (1862-1937), and thence by descent. Sir William was the current vendor's great grandfather. Note: Sir William Younger was a Scottish politician who served as a Member of Parliament for a total of eleven years between 1895 and 1910. His residences were Auchen Castle in Moffat, Scotland, and 45 Prince's Gardens, London. It is believed it was during his time in London that his interest in Asian art began, becoming a regular visitor to well-established and respected dealers in Chinese works of art, including John Sparks and Bluetts.

Estimate: £600 - £1,000

Condition Report

1101. Generally very good condition with no significant damage or repairs. A few very minor nicks but nothing of any real significance. Finely carved and pierced work. Attractive green colour with some russet and darker black inclusions.
