LOT 576

A pair of French gold and diamond mounted twin pronged horn hair ornaments, both bearing French eagle mark, total weight 12.3g, length 10.4cm, with a Biggs of Maidenhead case.

Estimate: £200 - £250

Condition Report

Both mounts have a couple of dents to them, to the side and backs, rather than front on.

All diamonds present, all rose cut and look to be original to the piece.

No noticeable damage to the horn, there are a few natural internal flaws, nothing that threatens integrity.

In fairly good condition overall.
