LOT 2224

A large 19th century mahogany three-section bookcase cabinet by Johnstone Jupe & Co, the angular pediment above six glazed doors above further panelled doors, height 260cm, width 250cm, depth 46cm (some general faults).

Estimate: £200 - £400

Condition Report

2224. The lower side edge of the top pediment has damage and loss with a crack to one side and a strip of wood missing to the other.

The beaded moulding on the middle frieze is missing on both sides and there is a small piece of veneer missing to the left side of this frieze.

Damage and loss to a corner of two of the lower doors and a small area of loss to one door trim.

Vertical crack to rear of right side and some chips to lower edge.

Area of loss to rear lower edge of left rear side.

Overall minor scuffs and marks and in need of a clean and polish to surface.

It splits into two main parts, upper and lower, with detachable pediment and base.
