LOT 2170

An Edwardian brass club fender with hexagonal balustrade supports, height 44cm, width 137cm, internal width 84cm, depth 38cm (faults).

Estimate: £200 - £300

Condition Report

2170. The two seat panels are later replacements but these would probably be changed when re-upholstering them anyway. the curb base is quite badly dented and misshapen, particularly around each side.
