

Collectors' Items, Works of Art and Light Fittings / Thu, 10th September 2026 / Lot 2560

LOT 2560

A Selmer Modèle 22 plated alto saxophone, serial number '1933'.

Estimate: £100 - £200

Condition Report

2560. Will clearly need an overhaul with new pads and tightening of keywork, but everything seems to be present and while some of the keywork feels loose, the instrument is in reasonable order. There is one small dent to the front face of the bell.
