LOT 1894

A Joma French Art Deco enamelled glass vase, 1920s, the frosted clear body with a geometric pattern in blue, black and red beneath an orange neck rim, enamelled mark to side, height 24cm (tiny chip to top rim edge).

Estimate: £60 - £80

Condition Report

There is a small chip to the top rim amidst the black enamelled edge - please see image 4 on our website using the zoom function. In addition there is a smaller nick in a similar position on the outside edge of the rim. The enamelled decoration is overall in good order but with some misfired discolouration primarily to the blue colour.

The interior of the vase would benefit from a clean.

There are some surface scratches commensurate with age and handling.
