LOT 1558

A Royal Worcester reticulated cup and saucer, dated 1885, of double-walled construction, in the style of George Owen, pierced with a honeycomb design heightened with gilt dots at each intersection, glazed in pale turquoise heightened with red and gilt enamelled motifs and reserved with gilt decorated aesthetic landscape panels, detailed within a pale pink ground gilt pattern heightened with red enamel and white and turquoise 'jewels', with bamboo-form handle, green printed, impressed and puce painted marks, diameter of saucer 10.5cm.

Estimate: £500 - £700

Condition Report

Both the cup and saucer are in good condition overall with no cracks, chips or restoration. Both 'ring' nicely when tapped.

There is some wear to the gilding of the landscape panels on the saucer - more prevalent on one panel than the other - please see the images on our website using the zoom function. Otherwise the enamels and gilding overall remain good and strong.
