Condition Report

Inkwell - overall fine crazing to the glaze, otherwise the pottery is in good condition with no cracks, chips or restoration. The metal collar is good and stamped 'ENGLISH MAKE'. The hinged cover has lost its original hinge pin and has been replaced by a loose piece of wire. The metal overall has lost any original plating. No inner well.

Preserve - the pottery overall is heavily crazed and stained. There is a minuscule nick to the base edge. The pewter cover has two very tiny dents to the side edge but is otherwise ok.
