Condition Report

Pair - one in good condition overall with no cracks, chips or restoration, the other is quite extensively restored. Ovoid shaped vase with trumpet neck - pinprick sized manufacturer's blemish to top edge of gilt rim, quite inconsequential, otherwise in good condition overall with no cracks, chips or restoration. Square shaped vase - minuscule glaze nick to top pointed part of both handles which is incredibly tiny and only noticeable on close inspection, otherwise in good condition overall with no cracks, chips or restoration.
