

British and Continental Ceramics / Thu, 24th September 2026 / Lot 1519

LOT 1519

A large Royal Worcester potpourri vase, liner and cover, 1970s, painted in the round with a still life study of fruit by M. Morris, signed, between raised gilt borders, the pierced cover of crown shape, black printed and painted marks to base with shape No. 2048, height 33cm (minor faults).

Estimate: £1,000 - £1,500

Condition Report

Main body of vase in good condition overall with no cracks, chips or restoration.

Liner with chip to rim edge and associated haircrack running from the chip to the central base air hole, 2 pieces of the chip are available with the Lot but there are some small pieces not present.

Cover with small chip to very tip of finial which looks as though it has been gilded over during the manufacturing process, otherwise in good condition overall with no cracks, chips or restoration.

Gilding and enamels overall good with no signs of wear. No crazing.
