

Collectors' Items, Works of Art and Light Fittings / Thursday, 8th October 2026 / Lot 2644

LOT 2644

A Wurlitzer 1015-CD 'One More Time' model juke box, circa 1999, designed after the 1946 original, height 152cm, width 85cm.

Estimate: £1,000 - £2,000

Condition Report

2644. The left side of the case has a few minor scuffs and surface marks. The left hand tune sheet on the front appears to have had a liquid spilt on it as it is discoloured to the inside surface of the plastic covering. If this can be taken off it should clean off. The remote control does not seem to work as there were old batteries left inside and the touch points have rusted. Otherwise the juke box is in good general condition.
