Condition Report

1057. Generally good condition.

Even though the inner and outer silver cases are not original to each other, they are a good tight fit.

Outer case with a few minor dents, but otherwise hinge is good and closes tightly.

Inner case in generally good condition, typical light surface scratches and wear, minor split to case just behind the stem

Dial has hairline cracks from 9 o'clock to 12 o'clock.

Movement winds smoothly and it starts to tick, but please be aware we give no guarantees to working order or reliability of any clock or watch.
