LOT 1193

A Jaeger-LeCoultre Atmos mantel timepiece, circa 1980s, the signed perpetual gilt brass 540 caliber movement numbered '626240', the white circular chapter ring with black Roman hour numerals, the gilt lacquered brass and glazed case with curved corners, on a plinth base, the underside detailed 'CAL.540 Jaeger-LeCoultre Swiss Made', height 22.8cm.

Estimate: £300 - £500

Condition Report

1193. Generally good condition, no significant damage or repairs.

Typical light surface scratches and wear to case, slightly more pronounced to front of base. Dusty and dirty so would certainly benefit from a clean.

Front glass panel with small chip to bottom right corner.

Chapter ring and movement in good clean order.

Have done a 24 hour test and currently in good working order and keeping good time, but please be aware we give no guarantees to working order or reliability of any clock or watch.
