Condition Report

1129. PART CONDITION REPORT, IF THE OTHER WATCH CONDITION IS REQUIRED, PLEASE REQUEST THIS

Orfina - not currently in full running order. Winds and adjust smoothly and starts to run, but only sporadically for a minute or so and then stops.

The chronograph is the same, it starts and stops with the top button, resets with the lower button but sometimes does not want to work at all.

Glass, case and bezel with surface scratches and wear.

Will require attention to return to full working order.
