

LOT 523

A silver, marcasite and red paste set circular hinged bangle in the form of a coiled snake, detailed '925', weight 30.8g, inside diameter 5cm, a silver mounted heart shaped brooch, weight 6.4g, a bear charm and three 'Fumsup' lucky charms.

Estimate: £40 - £60

Condition Report

Snake bangle - hinge in working order, all stones present, in generally good condition
Heart brooch - ok, pin and fastening in working order
Bear charm - tag is discoloured
Fumsup - the head of one has come away from its body, may have been solder repaired in the past, paste eyes are missing. The other two examples seem to be fairly good condition.
