Estimate: £700 - £1,000

Condition Report

Total diamond weight approx. 0.84ct.
The sapphire has some minor abrasion to the facet edges, with a small nibble/nick to the edge of the table, not noticeable unless looking through a x10 loupe.
Diamond gradings (estimations, limited by the setting and for guidance only)
Clarity - SI (one diamond is chipped)
Colour - I/J
No obvious inclusions to diamonds with naked eye, but some apparent under x10 magnification.
The ring is generally in good condition, some typical scratching/scuffing to the shank.
