

LOT 638

A gold and varicoloured gemstone necklace, the front with a row of nine pendant drops, the gemstones including zircon, amethyst and garnet, unmarked, weight 7.3g, length 39cm (clasp lacking).

Estimate: £200 - £300

Condition Report

One or two stones have small chips, with some minor abrasion to facet edges in places.
All the stones look to be secure within their settings.
The necklace is lacking a clasp.
Otherwise in fairly good condition overall.
