

LOT 679

An unmounted Mozambique pear shaped untreated natural ruby, dimensions 13.83mm x 10.34mm x 5.99mm, weight 7.03ct, with a GCS certificate.

Estimate: £9,000 - £11,000

Condition Report

The ruby has some angular colour zoning to the right side of the stone.
There are some inclusions scattered within it, one of which is surface reaching on the pavilion.
There is a very small chip to the underside of the girdle, which cannot be seen when viewing the stone face-up.
