

## LOT 2030

A George III Chippendale period mahogany silver table, the serpentine top with a pierced fretwork gallery above a blind fretwork frieze and twin column legs, height 78cm, width 63cm, depth 51cm (faults and alterations).

Estimate: £200 - £400

---

## Condition Report

2030. The table clearly has some overall faults and losses, but does have some signs of changes. The underside has signs of having another or a different leg to the inside corner.
