

LOT 341

A pair of Edwardian silver novelty vesta cases, each in the form of a cat with hinged head playing a musical instrument, import marks London 1904 by Theodor Hartmann, total weight 75g, height 5.5cm.

Estimate: £70 - £100

Condition Report

341. Both in generally good condition, typical light surface scratches and wear but no significant damage. Hinges are good and heads/covers close, but not tightly. Good clear hallmarks.
