

LOT 352

An Art Nouveau silver aide-mémoire, the front embossed with a pair of peacocks and scrolling tendrils, the back similarly decorated, the interior fitted with gilt edged green moiré silk and a propelling pencil, Birmingham 1903 by Sydney & Co, length 10.4cm.

Estimate: £70 - £100

Condition Report

352. Generally good clean condition. Few minor dints/dents to corners, otherwise decoration is good. Typical light surface scratches. Good clear hallmarks. The hinge is good but the clasp/catch is not working fully so it does not close fully, would require attention.
