

LOT 344

An Elizabeth II silver and amethyst set letter opener, the handle mounted with an oval amethyst cabochon framed by scrolling leaves and berry stems, London 2001 by Helen West, length 10.2cm, together with a sterling card case of rectangular form, the front mounted with a slide-action amethyst set opener, length 8.7cm, total weight 87.4g.

Estimate: £70 - £100

Condition Report

344. Both pieces in good condition, just typical light surface scratches and wear. Hinge lid functions well on the case.
