Toovey's Café are proud to introduce Nespresso coffee to our range of hot drinks.

We currently offer four varieties of Nespresso Grands Crus, as follows:

Espresso Decaffeinato: Dense and powerful. Dark roasted South American Arabicas with a touch of Robusta bring out the subtle cocoa and roasted cereal notes of this full-bodied decaffeinated espresso. *Intensity 7.*

Lungo Forte: Elegant and roasted.

A complex blend of South and Central American Arabicas, Lungo Forte holds intense roasted notes with a subtle hint of fruit. *Intensity 4.*

Espresso Forte: Round and balanced.

Made exclusively from South and Central American Arabicas, the complex aroma of this intensely roasted espresso is a balance of strong roasted and fruity notes. *Intensity 7.*

Ristretto: Full-bodied and persistent.

Pure and dark-roasted South and Central American Arabicas make Ristretto a coffee with a dense body and distinct cocoa notes. *Intensity 9.*

Toovey's are pleased to announce that we have free customer WiFi available.
